

E-learning Voiceover Prices

These prices include checking scripts, recording, editing, processing, production and delivery in almost any audio data format.

Prices depend to some extent on the voice chosen. Below are the rates for our standard English voices:

Small recordings – 1 to 5 minutes	£200.00
Up to 2,000 words or 15 mins of output	£400.00
Per additional 2,000 words or part thereof	£300.00

For long script, POE.

Usage is not normally charged but may be payable under certain circumstances.
